Dear Band Director:

As the Executive Secretary to the New Hampshire Band Directors Association (NHBDA), I am inviting you to submit nominations for two awards which will be presented at the New England Band Directors Institute at Plymouth State University this July.

If you feel that the band director at your school qualifies for either award, please write a letter of recommendation describing the person's accomplishments and forward your letter to:

Timothy Russell, President, NHBDA
Manchester Memorial High School Music Department
One Crusader Way
Manchester, NH 03103-3033

Or by email: trussell@mansd.org

When nominating your band director, consideration should be given to achievements beyond those expected in the classroom each day. Successful participation in NH Music Educator Association Festivals such as the Solo and Ensemble Festival, Large Group Festival are some examples that may warrant consideration of these awards. Membership and service to professional music organizations such as the National Association for Music Education, the New Hampshire Music Educators Association, or the New Hampshire Band Directors Association should also be noted. Please do not pass up this opportunity to honor one of your teachers if he/she has accomplished a great deal in the field of instrumental music education.

On behalf of NHBDA, thank you in advance for taking part in this nomination process. If your nominee is chosen, you will be notified and invited to attend the July 12th banquet as a guest of NHBDA as we recognize this year's award winners. If you have any questions or comments, or if I can be of any assistance, please do not hesitate to contact me at the email address below.

Sincerely,

Michael Adams
