Gary,

I have used your "Addition System, "along with "pulse counting" as long as I can remember.....I'm pretty sure it's been for the last 20 years. I retired from teaching this past June, after 38 years as a High School Band Director in Arkansas.

I was sold on this method from the "get-go" and used it religiously! My students, who are now teaching, also use the Addition System. I requested the link because my son (who graduated from TCU this past summer) is teaching Junior High Band now and wanted to use the system with his students. I am sure we are just one of many programs who have benefited from your work!

Thanks so much for replying to my email. "The addition system lives on!"

Sincerely,

Steve Warner
