January 28, 2017

Dear Director,

In order to significantly cut back on the time required to prepare and stuff participant folders, I have included one copy of each necessary document.

In this packet you will find the following:

- 1 participants information letter
- 1 parking map for UNH. All visitors, participants, parents, etc are to use LOT B
- 1 letter to applicants that did not make the cut-off to participate in the festival
- 1 concert ticket order form
- 1 recording order form

Please make as many copies as are necessary for your students. Obviously, the letter to applicants that are not in the festival is not necessary for those of your students who made it into the festival, and there is no reason to copy the other materials for those students who are not participating.

Obviously, music is included for participating students.  
Score sheets for all students are also included in this packet.

I'm looking forward to seeing many of you at UNH Durham on March 17!

Best,

Vincent Duval  
Coordinator, NH Middle Level Honors Festival  
New Hampshire Band Directors Association
